VOLUNTEERS

The North Bay Ski Racing Club is a small club with a group of very hard working volunteers. Volunteers make these programs possible for your child. Volunteers are needed in a number of areas. Please indicate in which areas you would like to assist.

Telephone

A few volunteers are required to phone other parents to remind them of upcoming events or in the case on inclement weather to call with cancellations. Each volunteer would have between 5 and 8 calls to make.

Course Crew

Volunteers are required on race day to help set up course, tying on flags, installing snow fence etc.

Race Officials

This includes gatekeepers to ensure that all skiers go through all the gates as well as starters, timers etc.

A small number of other volunteers are required to help organize the racers at the top of the course and to make sure small children have someone to ride back up the lift with after their race.

Social

Help out with events during the season along with end of season BBQ.

Coaching Assistance

Assist coaches with smaller children keeping them together and getting them on the lift. This is especially important during the Christmas Camp.
